## Welcome to the 2024-2025 Bowling Season!

The Board of Directors (BOD) is thrilled to represent and support the vibrant bowling community here in Rochester. We are immensely grateful for the enthusiasm and dedication of our members, and we eagerly look forward to another exciting season together.

Last season was a testament to our shared passion for bowling. We saw steady participation in tournaments, an increase in volunteer involvement, active engagement in association functions, and the successful continuation of new events like the Peg Martin Memorial. Your continued involvement and valuable feedback have been instrumental in shaping our vision for the 2024-2025 season. It's heartwarming to see familiar faces returning to the lanes and to welcome new bowlers just beginning their journey. Let's continue to grow our community by inviting friends to join us—together, we can expand the reach and impact of our sport!

As we enter the new season, we're excited to share some important updates and news. Our tournament schedule has been finalized and is now available on our website, [rochesternyusbc.org](http://rochesternyusbc.org). The first event of the season will be held on October 12th and 13th at AMF Fairview Lanes. We encourage all bowlers to review the entry details posted on our website. Notably, eligibility for this event is open to bowlers from specific neighboring associations who purchase a local membership (\$9). Members of the Canandaigua, Finger Lakes, Genesee Region, Hornell, Penn Yan-Dundee, and Lake Ontario associations are warmly invited to participate in our championship-caliber events.

We're also pleased to announce that, thanks to additional fundraising efforts and cost-cutting measures, we do not anticipate a rise in membership dues this season. The association is in strong financial standing, allowing us to continue providing excellent services to the Greater Rochester bowling community.

Thank you for your continued dedication to the sport of bowling. We look forward to a fantastic season ahead!
